

From your Team at Vista Title & Escrow -

During this challenging and unusual time, we have been holding ourselves to the utmost standard to help ensure the safety and well-being of our valued customers. Our focus has remained on taking precautions at the requirements of the State of WA and beyond.

-We practice social distancing and ask our customers do the same, leaving 6 feet of space between customers and employees.

-Staff and customers wear face masks while in our offices. If you do not have a face mask, one will be provided to you.

-We frequently disinfect high-touch surfaces and shared spaces. We offer all of the necessary PPE (personal protective equipment) such as hand sanitizer, gloves, and face masks to customers and staff.

-For now, we are **limiting the number of people allowed inside**. Based on state regulations, you may be asked to wait outside of our lobby or in your car until it's safer to enter.

-Our employees **stay home** when they are sick or showing any possible signs of illness. We ask our customers do the same. If anyone has symptoms, we are happy to **make arrangements** for a signing outside of our office. We will gladly take your temperature, by request.

We thank you for your continued understanding and grace during this time.
